

djR Summer School **„Sustainable Materials in Rheology“** **June 9th - 12th 2026**

free for members of the working group djR!

General information:

Where?

Dresden University of Technology TUD,
Institute of Lightweight Engineering and Polymer Technology (ILK)
Dürerstraße 28, 01307 Dresden

When?

Start: Tuesday, June 9th (1 PM)
End: Friday, June 12th (3 PM)

Who?

Graduate students, PhD students, Postdocs and professionals in the industry with a special interest in rheology

More Information and registration:

Registration deadline: April 15th, 2026 (limited places only!)

djR Summer School

„Sustainable Materials in Rheology“

June 9th - 12th 2026

Lecturers:

- Prof. Roland Kádár, Chalmers University of Technology
- Prof. Ulrich Handge, TU Dortmund
- Prof. Andreas Wierschem, University of Erlangen-Nuremberg
- Prof. Dietmar Auhl, TU Berlin
- Dr. Jan Weilert, Covestro Deutschland AG
- Dr. Norbert Raak, University of Copenhagen
- Dr. Günter Auernhammer, Leibniz Institute of Polymer Research Dresden
- Dr. Steffen Jesinghausen, University of Paderborn
- Specialists from TA Instruments, Anton Paar, Thermo Fisher Scientific, Göttfert, Bareiss and Netzsch will provide equipment and supervise the practical sessions

Concept:

“die junge Rheologie” (djR) in cooperation with the **German Rheological Society (DRG)**, **Nordic Rheology Society (NRS)**, **Dresden University of Technology** and **Leibniz Institute of Polymer Research Dresden** organize its third djR Summer School 2026. This year with a special focus on “Sustainable Materials”.

The **djR Summer School** is aimed at graduate students, PhD students, Postdocs and professionals from industry with a specially interests in the **rheology of Sustainable Materials**.

The initiative is supported by DRESDEN-concept and additionally sponsored by TA Instruments, Anton Paar, Thermo Fisher Scientific, Göttfert and Netzsch. It is therefore **completely free of charge** for the participants, who only have to register as **members of the working group djR as well as the DRG** and cover the costs of their stay in Dresden during these days.
